NOTES

TILE CARE

Seal-Guard Gold Label Impregnator – Fast-Drying

Superior protection. Natural finish. Available in 1 litre, 5 litre and 20 litre containers. Helps provide durable, long-lasting protection of the treated surface against both oil and water-based stains while retaining the natural look of the substrate. Will not yellow, peel, whiten or flake off the treated surfaces. Suitable for all types of unglazed tile and masonry surfaces, including (damp/wet or dry) grout lines, quarry tile sandstone, terracotta, limestone, stucco, architectural concrete, precast stone, brick, porcelain, marble and granite.

Size	Pack Quantity	Product Code	Barcode
1lt	6	SEAL002	5391512850104
5lt	4	SEAL003	5391512850111

NOTES

Seal-Guard Tiler's Choice Impregnator for Porcelain and Stone

Slower-drying. Easy to apply. Available in 1 litre, 5 litre and 20 litre containers. This slower drying impregnator has been specifically formulated to seal porcelain, granite and marble. Provides durable and invisible stain resistant protection and is suitable for both indoor and outdoor use. Works equally well in preventing oil and water-based stains on all types of unglazed tile and masonry surfaces, including sandstone, limestone, terracotta and concrete.

Size	Pack Quantity	Product Code	Barcode
1lt	6	SEAL004	5391512850401
5lt	4	SEAL005	5391512850418

Seal-Guard Sure-Clean Porcelain Cleaner

Non acidic. Removes wax, oil and grout haze. Available in 1 litre, 5 litre and 20 litre containers. A one-step, non-acidic, creamy solution made specifically to clean wax, grout haze and residue from porcelain tiles. Sure-Clean works in conjunction with Seal-Guard Impregnator for Porcelain. It is a fast-drying, pleasant-smelling cleaner and will not alter grout colour. Also safe to use on marble, granite, limestone and all ceramic surfaces.

Size	Pack Quantity	Product Code	Barcode
1lt	6	SEAL006	5391512850500

Seal-Guard Grout & Tile Aerosol Sealer

Quick-drying. Dries invisible. Handy 600ml can. A world-first. Seals grout lines between glazed ceramic tiles to protect against oil and water-based stains. Overspray is not a problem as Seal-Guard dries invisible. It's quick-drying and is ideal for use on benchtops, bathrooms and shower recesses, small floor areas on all types of grout, unglazed tile and masonry surfaces. Seals damp/wet grout within 20 minutes of installation as well as dry grout.

Size	Pack Quantity	Product Code	Barcode
600ml	6	SEAL001	9331970000587

PERFORMANCE COATINGS - METAL

Rust-Oleum CombiColor

A white spirit based metal protection paint. Primer and top coat all-in-one. Can be applied directly on to rust. Easy to use, excellent coverage, available in a smooth or hammertone finish.

CEMENT COLOURING

Cement Colouring Powders

A strong powdered cement colouring for use in mortar and concrete. Does not contain inert fillers. Use at the rate of 2%-4% of cement content by weight to achieve shade required. By inter-mixing colours, or varying the rate of usage, multiple shades can be achieved. By using white cement, a range of pastel shades can be achieved.
