- ✓ ***No Grouting***
- ✓ ***No Staining***
- ✓ ***No Mould***
- ✓ ***No Limescale Build-up***

NEPTUNE

Quadrant Neptune Pod Shown with ILL in Brushed Brass

## WHAT IS IT MADE FROM?

### **Layer 1 - Isophthalic Anti Bacterial Coating**

Offers exceptional strength, easy cleaning, high heat resistance, and outstanding corrosion protection.

### **Layer 2 - High-Grade GRP**

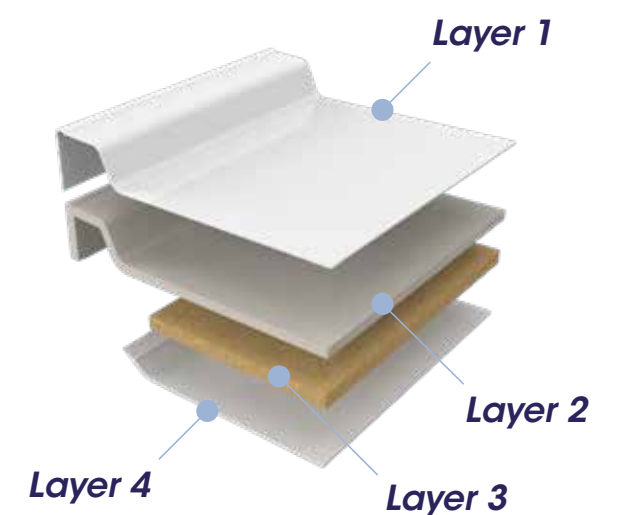

(Glass Reinforced Polymer) - The same material used in yachts, ensuring years of water resistant, trouble free use.

### **Layer 3 - Resin-Infused Particle Board**

Adds rigidity and strength, allowing direct attachment of accessories without wall penetration.

### **Layer 4 - GRB Encapsulation**

Completely seals the unit, making it moisture-proof for lasting durability.

## **WHAT ARE NEPTUNE SHOWER PODS?**

### **LEAK-FREE GUARANTEE**

Neptune shower pods guarantee a Leak-Free shower experience, providing unmatched water protection and showering with absolute peace of mind.

### **PROBLEM-SOLVING INNOVATION**

Our pods are designed to solve water issues effortlessly, setting a new standard in the industry for leak-free performance.

### **EFFORTLESS INSTALLATION**

Enjoy easy to install Neptune Leak-Free Shower Pods, saving valuable time and effort. The pods can be assembled and fully operational within a few hours. They require no grout or mastic, ensuring a leak-free and maintenance-free showering experience.

### **DURABLE CONSTRUCTION**

Built to last, Neptune pods boast superior durability, ensuring long-lasting performance and reliability in your bathroom.

# **LEAK-FREE FOR LIFE**

## **FREQUENTLY ASKED QUESTIONS**

### **WHAT IS IT MADE OF?**

The unit is very strong, made with a 4 layer construction with 2mm of Marine grade Gel coat on the surface, 6mm of GRP (Fibreglass) behind that, 18mm of Marine ply behind that; and a coating of GRP to encapsulate everything and make it completely impervious to moisture.

### **WHAT KIND OF ACRYLIC IS USED?**

We use an Isophthalic gel coat. This is anti-bacterial, easy clean, very durable and long-lasting. We use an Isophthalic gel coat. This is anti-bacterial, easy clean, very durable and long-lasting.

# GENERAL INFORMATION

## TECHNICAL DRAWINGS & INSTALLATION GUIDES

Our technical drawings and installation guides are available to download from our website. We recommend installation is carried out only once the relevant guide has been read and understood by the installer. Please note all dimensions in this brochure are shown in millimetres unless otherwise stated. They are intended as a guide only and may be subject to a degree of inaccuracy.

## SHOWER POD INSTALLATION ADVICE

BEFORE YOU INSTALL YOUR SHOWER POD PLEASE READ ALL INSTRUCTIONS. FAILURE TO DO SO MAY LEAD TO INVALIDATION OF YOUR GUARANTEE.

Neptune Showers Ltd and Flair Showers Ltd will not accept responsibility for any loss or damage, however caused, if the shower pod or enclosure has not been installed as per the instructions.

- Inspect your shower pod before installation. Check for all visual defects. Any defects or damages must be reported before any installation work takes place. Failing to do this is acceptance of sale conditions.
- Check walls for electrical cabling or water pipes before drilling.
- Care must be taken during assembly. Neptune Showers Ltd and Flair Showers Ltd will not accept responsibility where incorrect assembly results in undue stress being put on any components in this product.
- If there are any manufacturer defects, please call Neptune Showers on +353 01 825 0840.

Note: If a problem has been caused by incorrect installation, a call-out charge will apply for the technical engineer's time. Subsequent charges will apply if it is possible "to fix" a problem caused by incorrect installation.

## PRODUCT GUARANTEE

Neptune Shower pods have a manufacturer defect guarantee of 10 years once installation has been carried out in accordance with the fitting instructions. This guarantee does not cover reasonable wear and tear or damage caused by misuse or accidental damage. The guarantee does not cover damage caused by cleaning products.

Note: Proof of purchase is necessary to confirm your guarantee.

## CLEANING GUIDELINES

Use a soft cloth and mild detergent, rinse off thoroughly. Do not use "Spray & leave" cleaning products on the surface as these will cause damage to your product. These include acidic based cleaning products, bleaches, solvents or abrasive pads. Only use detergents, cleaners and limescale removers with a pH of 5-8. The constant use of detergents will degrade the finish of the product over time if not thoroughly rinsed off.

## RETURN POLICY

Neptune Showers and Flair Showers will not accept return of any product that has been opened. We do not accept return of any product if the packaging has been damaged. If the product is unopened and not damaged, we will accept the return of the product but a handling fee of €150/£150 will be charged but we reserve the right to review courier costs depending on the location of the pod to be returned.

## CONDITIONS OF SALE

Unless otherwise stated, all price quotations are subject to acceptance within 30 days of date of issue. As part of our continuing policy of product improvement, we reserve the right to amend specifications, colours and prices without prior notice. Images are for illustrative purposes only. The colours and finishes shown in the catalogue are as accurate as possible within the limits of the printing process.

The positioning of all shower heads and shower wastes in the brochure is for illustrative purposes only.

\*Errors and Omissions Exempt.

## BROCHURE INFORMATION

All information contained in this brochure is accurate at the time of going to press. Neptune Showers products are sold by Flair Showers Ireland Ltd who reserve the right to introduce changes and modifications without prior notice. Please note that prices inclusive of VAT are correct at the current rate at time of printing. Whilst every attempt has been made to select images that accurately portray our products, variations in colour and style cannot be avoided. Further variations may also be caused by inconsistency in colour, reproduction and print.

## WEBSITE INFORMATION

Full details of all our products and their technical specifications can be found on our website, [www.neptuneleakfree.com](http://www.neptuneleakfree.com). We endeavour to regularly keep this updated including details of where to buy our products, copies of our latest brochures and installation details.

## CONTACT & CUSTOMER SERVICE

In case of accidental damage, a repair kit is available for your showering pod. For all enquiries contact our customer service team:
