# ABOUT US

1939

Established in 1939 by Gaston Florin, Vitrex initially developed a range of hand tools during World War 2. The first plastic DIY products to be sold under the Vitrex brand were launched during the 1950's, and continued growth through the 1970's and early 1980's established Vitrex as a leading brand in the emerging DIY consumer market.

**Vitrex**<sup>®</sup>   
Sign of a **professional** job

2004

Vitrex was acquired by Q.E.P. in 2004 and as part of a leading worldwide manufacturer and supplier of tiling equipment, flooring, tools & accessories, Vitrex is now better placed than ever to fulfil its long standing aim to design, manufacture and distribute professional quality products at affordable prices – for both the keen DIY-er and the professional user.

80 years

Today Vitrex is an established and recognised supplier to the very best home centres and distributors in the UK and has been at the forefront of the home improvement market for 80 years.

# Electric Tile Cutters

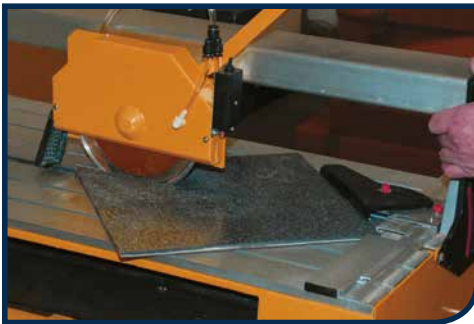

**VERSATILE POWER PRO 900 BRIDGE SAW**

- Fully adjustable angle guide for diagonal tile cuts from 0–45 degrees
- Direct drive motor has a thermal overload protection to prevent overheating and produces constant cutting speed for ultra smooth cuts
- Oversized ‘bench style’ slotted aluminium cutting table with integral drainage
- Sliding ruler and locking mitre guide for perfect straight cuts
- Dual water feed increases blade life
- Sturdy folding leg supports and detachable lower shelf
- Large water tray with submersible pump which delivers water to cutting wheel for essential cooling
- Convenient built-in carry handles and adjustable wheels for easy repositioning and transporting between jobs

**All blades include a reduction spacer to allow use on either 16mm or 22mm bore**

- This amazing technology allows for precise diamond arrangement and alignment on each blade, set to control wear and make the blade cut faster.
- In some situations, this technology can increase the cutting speed by 50% while doubling a normal blades life.

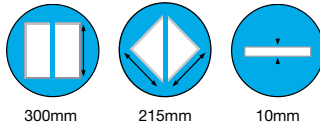

# Manual Tile Cutters

**HOBBY 300 TILE CUTTER**

- Easy to use with simple 'score and snap' cutting action

**ADHESIVE MIXER PADDLE**

Mixes from bottom up

- Suitable for use with MIX850/IND & MIX1400/IND
- Available in 2 diameters 120mm & 140mm
- Length 600mm
- Designed to mix sticky and viscous materials e.g. tile adhesive, bonding mortar, jointing compound, ready mixed plaster, floor screed, fillers etc.

Item No.
MIXADH120
MIXADH140

**ADHESIVE MIXER PADDLE**

- Ideal power drill attachment for mixing small volumes of adhesive
- Unique design for effortless and thorough mixing
- Fits standard 10mm & 12mm chucks
- Blade width 65mm

Item No.
102966

**MIXER PADDLE**

- Perfect for cordless drills
- For mixing mortars, thinsets & grout
- 80mm diameter
- For use with Vitrex mixers

Item No.
MIXADH80

# Preparation

# LONG REACH SANDER

The essential tool for every plasterer & decorator, easy to use, telescopic long reach sander.

Includes 6 Abrasive discs:  
60/80/120/150/180/240 Grit

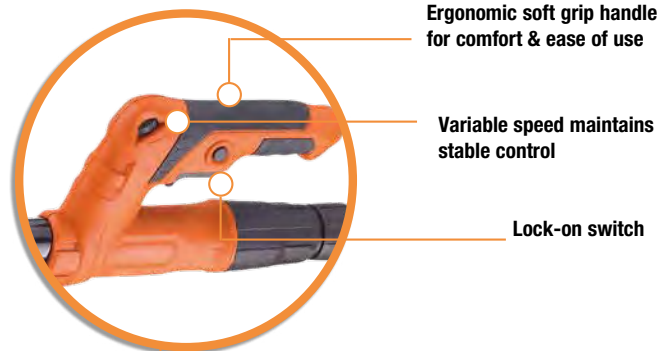

Double dust extraction outer ring

With optional interchangeable Triangular Head

- Powerful 600w motor ensures efficient power transfer to the sanding pad for smooth operation
- Variable speed ensures constant control
- 110cm short reach for use in confined areas
- Extension arm enables 165mm full working length for sanding high walls and ceilings
- Robust drive system ensures a long service life
- Double dust extraction (brush outer ring and 8-hole internal dust extraction) ensures a clean working area and prevents clogging of the abrasive surface
- 225mm diameter sanding discs
- Connect to vacuum cleaner for full dust extraction
- Folds into storage case for ease of transportation
- Interchangeable triangular head (available separately)

Ergonomic soft grip handle for comfort & ease of use

Variable speed maintains stable control

Lock-on switch

Foldable for easy transportation & storage

**TILE REMOVER & SCRAPER**

- Ideal for removing ceramic tile, carpet and vinyl tile
- For use in narrow and hard to reach spaces
- Includes attachment for grout removal

Item No.

TRS100

**TILE ADHESIVE & GROUT SCRAPER**

- For scraping residue off subfloors, windows and walls
- Great for wallpaper removal
- Complete with 100mm blade

Item No.

TAS100

**SPIKED AERATION ROLLER**

500  
mm

- Includes splash guard
- Ideal for subfloor preparation
- Helps remove bubbles caused by entrapped air in floor levelling compounds

Item No.

SPR500

**100MM SCRAPER BLADE**

Item No.

TRB100

- For use with TRS100 Tile Remover & Scraper
- Remove blade retaining screws, clean housing, insert new blade & replace screws

**100MM SCRAPER BLADES**

5  
pack

Item No.

TRB105

- For use with TAS100 Tile Adhesive Scraper
- Multi-blade fitment will also fit most scrapers from other manufacturers
- Remove blade retaining screws, clean housing, insert new blade & replace screws

**CHISEL SCRAPER**

- Ideal for removing tiles and residue from most surfaces
- Hammer end for quick strike use on stubborn materials
- 75mm stainless steel blade

Item No.

CHS005

**SDS SCRAPER**

- 80mm blade
- For roto-stop SDS drills, hammer action only

Item No.

SDS806

# Cutting

**TILE MARKERS (X2)**

- Suitable for marking out tiles, glass, plastic, metal and paper

Item No.
102080

**TILE SCORER**

- Tungsten Carbide tip
- Durable nylon handle with thumb recess for extra grip
- Suitable for scoring wall and floor tiles

Item No.
103175

**HEAVY DUTY TILE CUTTER**

- Tungsten Carbide wheel (ø10mm), for scoring and snapping ceramic tiles up to 10mm thick
- Heavy duty steel body, with plastic handgrips for extra comfort
- Suitable for straight and freehand cuts
- Replacement wheel kit available 101493

Item No.
101490

**JIGSAW BLADES (X2) UNIVERSAL FITTING**

- Tungsten Carbide grit edged blades
- Suitable for cutting ceramics, slate, fibreglass, plastics etc.
- Ideal for awkward shaped cuts

Item No.
102765

**TILE SCRIBE**

- Tungsten Carbide tip
- Suitable for scoring wall and floor tiles

Item No.
102075

**TILE CUTTER**

- Tungsten Carbide wheel (ø10mm), for scoring and snapping ceramic wall tiles up to 8mm thick
- Durable, glass reinforced plastic frame
- Suitable for straight and freehand cuts

Item No.
102720

**PRO SERIES HEAVY DUTY TILE CUTTER**

- Premium quality 200mm tile cutters with carbide tips
- Manufactured from drop-forged steel with a 15mm offset jaw
- The cutter operates on a simple 'score and snap' action and can be used with ceramic, marble, quarry, terracotta and slate tiles

Item No.
101500

**JIGSAW BLADES (X2) BAYONET FITTING**

- Tungsten Carbide grit edged blades
- Suitable for cutting ceramics, slate, fibreglass, plastics etc.
- Ideal for awkward shaped cuts

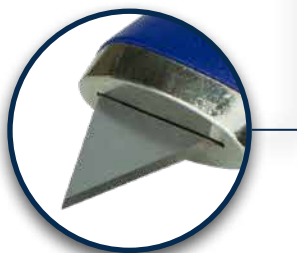

Item No.
102766

**VERSATILE® KNIFE**

- The perfect multipurpose knife with scoring tool for ceramic and glass tiles
- Ideal for cutting carpet and vinyl tiles
- Scoring tool stores conveniently in handle
- 3mm, 4mm & 5mm slots hold glass firmly for a clean break after scoring
- Easy blade change
- Retractable blade for added safety

RELEASE BUTTON

MEASURING

SCORING TOOL

Item No.
MPK001

**CIRCLE TILE CUTTER**

- Tough, tungsten carbide cutting blade
- Safety cage
- Cuts quick, accurate circles in ceramic tiles
- Use with a variable speed drill
- Max speed 200rpm
- Variable cutting from 20-95mm

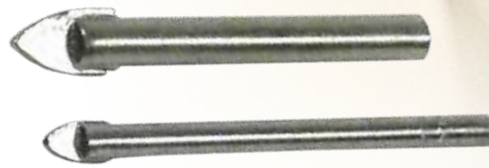

Item No.
CTC004

**TILE & GLASS DRILLS**

- Precision spear-head design prevents chipping or breaking
- High quality tile and glass drill bits, with a hardened tungsten carbide tipped point and blade for longer life

Item No.	Drill Size
102756	6mm
102757	7mm
102758	8mm
102760	10mm

**TILE & GLASS DRILLS**

- Precision spear-head design prevents chipping or breaking
- High quality tile and glass drill bits, with a hardened tungsten carbide tipped point and blade for longer life
- 6, 8 & 10mm drill bits

Item No.	Drill Size
TGDK010	6, 8, 10mm

**MITRE SHEARS**

- Multi purpose mitre shears to easily cut tile trim, PVC piping, tackstrip and other light material
- Pre-notched guide at 45°, 60°, 75°, 90°, 105° and 120°

Item No.
102968

**DIAMOND TILE DRILL KITS**

- Diamond grit edged bit, to provide a faster, superior cut and longer lasting
- Slotted bit design for easy waste removal
- The most efficient way to cut hard and natural stone tiles
- Uses a rubber suction cup for instant positioning
- The drill has a quick-change hexagon shank to fit most power drills
- Suitable for cutting ceramic, slate, marble, porcelain, travertine, granite, quarry, terracotta and limestone tiles

Item No.	Drill Size
102791	6mm
102792	8mm
102793	10mm
102794	12mm
102795	15mm
102796	18mm
102797	22mm
102798	25mm
102799	32mm
102800	38mm

**ADVANTAGES:**

- Drills the hardest materials
- Accurate, clean cuts
- Water cooling system
- Longer life span

**UNIVERSAL HARD TILE DRILL BIT GUIDE**

- Ideal solution for drilling hard tiles
- Fully adjustable frame accommodates a wide range of bit sizes (see back of pack for details)
- 4 - 83mm
- Unique roller bearing system provides optimum stability and increased drilling accuracy
- Rubber suction cup for instant positioning
- Use in conjunction with Vitrex Hard Tile Drill Bits and Vitrex Water Cooling System

Item No.
102788

**WATER COOLING SYSTEM**

- For use with Vitrex Hard Tile Drill Bit Guides (102788 or 102789)
- Essential equipment to prevent drill bit damage through overheating
- Flexible plastic pipe for easy connection
- Simple plunger operation builds up pressure
- Trigger control with lock for continuous flow

Item No.
102790

**MINI HARD TILE DRILL BIT GUIDE**

- 4, 6, 8, 10, 12mm
- Ideal solution for drilling hard tiles
- Rubber suction cup for instant positioning
- Individual slots for the most popular fixing sizes
- Use in conjunction with Vitrex Hard Tile Drill Bits and Vitrex Water Cooling System (102790)

Item No.
102789

**6 PIECE DIAMOND TILE DRILL BIT SET**

- Carry case contains 6mm, 8mm, 10mm, 18mm, 32mm & 38mm drill bits
- Diamond grit edged bit, ideal for drilling hard tile types, including porcelain
- For use with Vitrex Drill Bit Guides and Vitrex Water Cooling System
- Slotted bit design for easy waste removal

Item No.
DDK001

**DIAMOND DRILLS & GUIDE KIT**

- Drill Guide from 4mm to 12mm
- 4, 6, 8, 10 and 12mm diamond drill bits
- Diamond grit edged drill bit, ideal for drilling hard tile types, including porcelain
- Slotted bit design for easy waste removal
- For use with Vitrex Drill Bit Guides and Vitrex Water Cooling System

Item No.	Contents
DDGKIT6	4, 6, 8, 10 and 12mm Drill Bits Drill Guide

Carry case included

**DRY CUT DIAMOND DRILLS KIT**

- Guide from 4 - 12mm
- 6, 8 & 10mm drill bits
- Diamond grit edged
- Ideal for drilling all tile types, including porcelain

Item No.	Contents
WAXDK001	6, 8 & 10mm Drill Bits & Drill Guide

**WAX DRILLS**

- Diamond grit edged drill bit suitable for use with most power drills
- Wax filled, no need for water
- Ideal for drilling in all tile types including porcelain

Item No.	Description
WAXD006	6mm Wax Drill Bit
WAXD008	8mm Wax Drill Bit
WAXD010	10mm Wax Drill Bit
WAXDKIT001	6, 8 & 10 Wax Drill & Kit

For accuracy, use with Vitrex drill guide 102788 or 102789

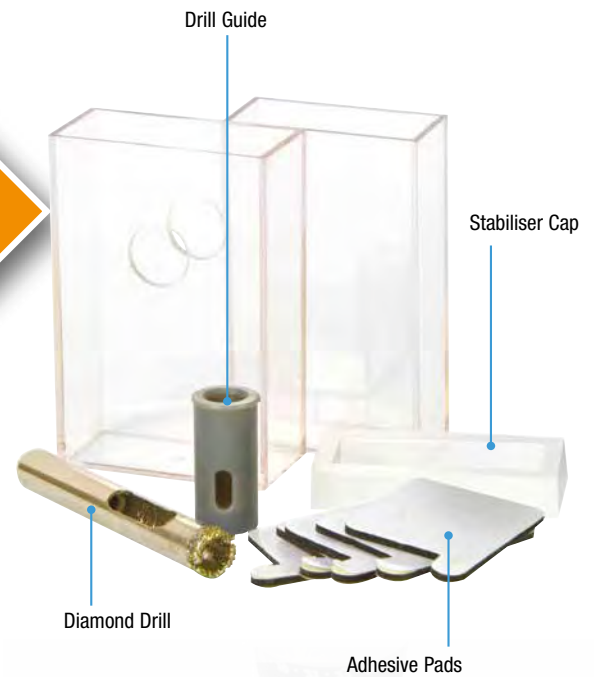

**WALL SYSTEM**

- Diamond grit edged bit, to provide a faster, superior cut and longer lasting
- Uses self-adhesive pads for secure positioning
- Provides the necessary lubrication to extend the life of the drill and cool the drilling surface
- Includes water delivery and collection cups for clean drilling

Item No.	Description
102770	6mm
102771	8mm

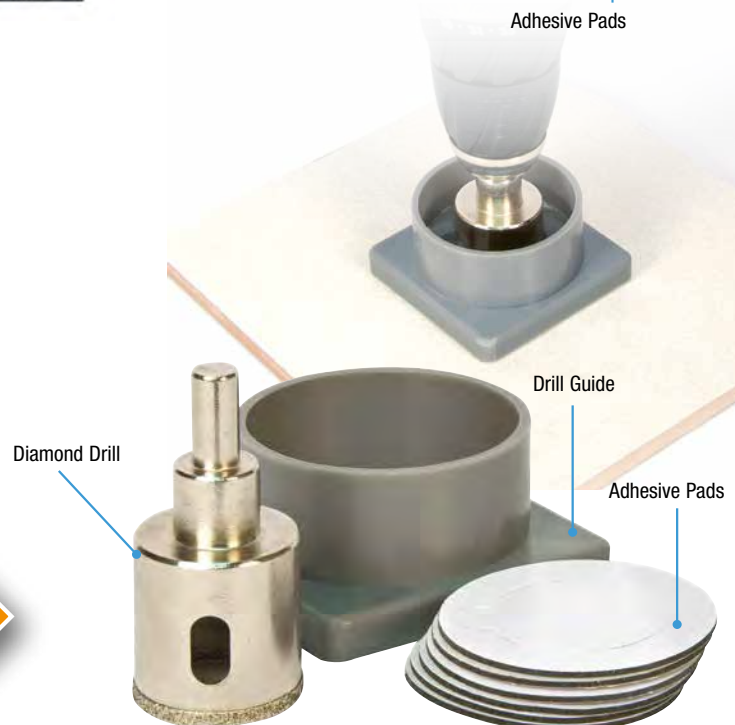

Use when installing wall fixings through tiles in kitchens and bathrooms. For a wide range of fixtures, such as shelves, towel rails & copper pipe

**FLOOR SYSTEM**

- Diamond grit edged bit, to provide a faster, superior cut and longer lasting
- For hole drilling in porcelain, ceramic, marble & granite
- Water cooling system keeps drill bit cool for longer life
- Secure positioning for quick and accurate drilling
- Perfect for pipe & shower head installation

Item No.
102772

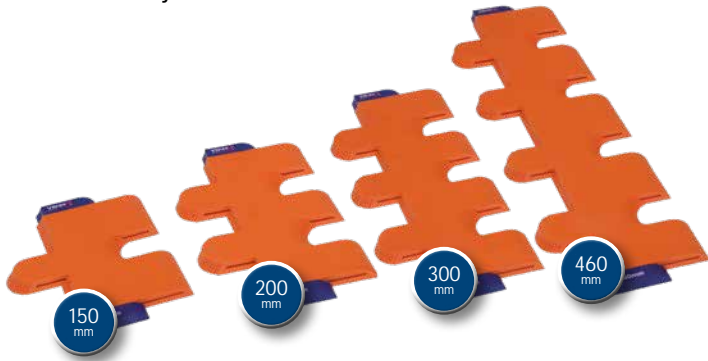

# Shaping

**PROFILE GAUGES 150-460MM**

- Quick and easy way to copy awkward shapes
- Ideal for tiling, wallpaper, laying carpet, vinyl and aligning laminate flooring
- Saves costly mistakes

Item No.	Size
101030	150mm
101033	200mm
102461	300mm
102463	460mm

**MOSAIC & GLASS TILE FILE**

- 150mm tile file/saw
- Diamond filings for smoothing rough edges on glass & mosaic tiles
- Flat edge for smoothing straight edges
- Curved edge for smoothing contoured shapes
- Soft grip handle for secure hold and comfortable use

Item No.
MGF015

**TILE FILE (X2)**

- Tough, aluminium oxide coating
- Smooths sharp and uneven edges on cut tiles

Item No.
102116

**TILE FILE**

- 'Soft Grip' handle for extra comfort
- Tungsten Carbide grit coated file for smoothing rough edges on ceramic and marble tiles
- Flat and curved faces for straight and contoured shapes

Item No.
102120

**TILE NIPPERS**

- Tungsten Carbide tipped jaws for cutting and shaping wall tiles
- Ideal for awkward shaped cuts around pipes, switches, sills and fittings
- Soft feel handles for extra grip

Item No.

102430

**HEAVY DUTY TILE NIPPERS**

- Professional quality 200mm carbide tipped
- Rugged forged steel body, grounded & polished
- 16mm offset jaws
- Cushion grip leverage handles

Item No.

102445

**CHISEL HEAD TILE NIPPER**

**3 IN ONE**

- Multi-functional 3-in-1 tiling tool
- Nipper – durable tungsten carbide tipped jaws for cutting & shaping wall tiles
- Chisel – ideal for removing broken or damaged tiles
- Pry Bar – for lifting and re-positioning tiles
- Great for removing skirting boards

Item No.

CHN301

**MOSAIC & GLASS TILE NIPPER**

- Easily cuts glass tiles & mosaics up to 8mm thick
- Ideal for cutting awkward shapes around pipes
- Tungsten carbide cutting wheels
- Easy to use

Item No.

MGN002

**TILE SAW**

- Extra deep reinforced plastic frame for improved cutting access
- Built in “quick-release” lever for fast, easy blade replacement
- Cutting depth of 150mm i.e. to the centre of a 300mm tile

Item No.

102660

**DEEP FRAME TILE SAW**

- ‘Soft Grip’ handle for extra comfort
- Extra deep steel frame for improved cutting access
- Cutting depth of 150mm i.e. to the centre of a 300mm tile
- 150mm Tungsten Carbide blade – cuts in any direction
- Outlasts conventional hacksaw blades by up to 10 times

Item No.

102207

**TUNGSTEN CARBIDE RODSAW BLADE**

- For use with 102660 & 102207
- Tungsten Carbide blade - cuts in any direction
- Outlasts conventional hacksaw blades by up to 10 times
- Fits most standard 150mm hacksaw frames

150  
mm

Item No.

102203

**TUNGSTEN CARBIDE RODSAW BLADE**

- Tungsten Carbide blade - cuts in any direction
- Outlasts conventional hacksaw blades by up to 10 times
- Fits most standard 300mm hacksaw frames

300  
mm

Item No.

101905

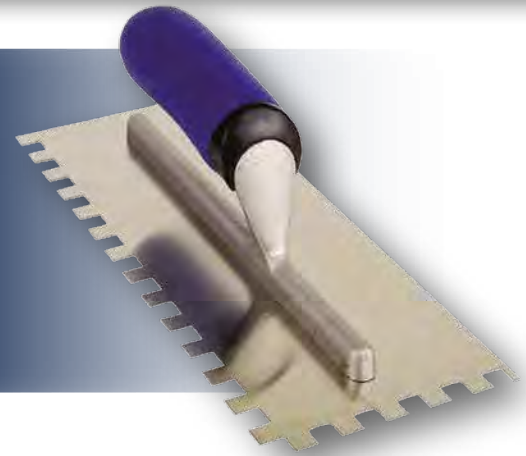

# Fixing

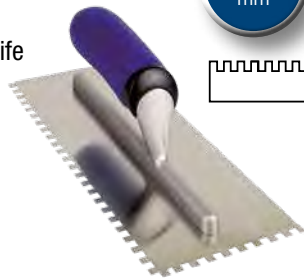

# PRO TILING

- Rust resistant stainless steel blade
- Large, contoured handle with soft grip to ensure comfort for prolonged use
- Longer solid aluminium shank with 12 rivets
- Designed for use by the professional installer

## PRO TILING ADHESIVE TROWEL 4MM SQUARE NOTCH

- Rust resistant stainless steel  
- 115 x 280mm base
- Reinforced riveted blade for longer life
- Solid aluminium shank with 'Soft Grip' handle for extra comfort

Item No.

102970

## PRO TILING ADHESIVE TROWEL 8MM SQUARE NOTCH

- Rust resistant stainless steel  
- 115 x 280mm base
- Reinforced riveted blade for longer life
- Solid aluminium shank with 'Soft Grip' handle for extra comfort

Item No.

102971

## PRO TILING ADHESIVE TROWEL 20MM ROUND NOTCH

- Rust resistant stainless steel  
- 115 x 280mm base
- Reinforced riveted blade for longer life
- Solid aluminium shank with 'Soft Grip' handle for extra comfort

Item No.

102906

## PRO TILING ADHESIVE TROWEL 6MM SQUARE NOTCH

- Rust resistant stainless steel  
- 115 x 280mm base
- Reinforced riveted blade for longer life
- Solid aluminium shank with 'Soft Grip' handle for extra comfort

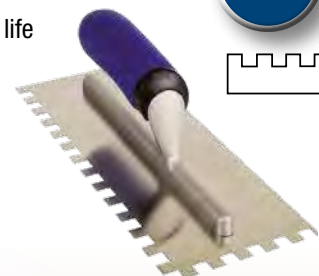

Item No.

102957

## PRO TILING ADHESIVE TROWEL 10MM SQUARE NOTCH

- Rust resistant stainless steel  
- 115 x 280mm base
- Reinforced riveted blade for longer life
- Solid aluminium shank with 'Soft Grip' handle for extra comfort

Item No.

102909

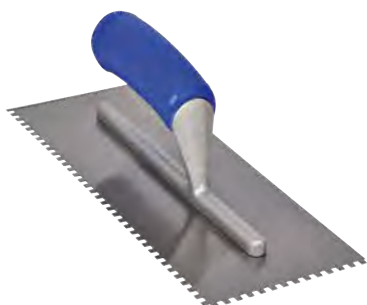

## STANDARD

- Hardened and tempered steel base, ground and polished for lasting durability
- Comfortable handle with 'Soft Grip' for prolonged use
- Long shank with 6 rivets
- Designed for use by the professional installer

### MOSAIC ADHESIVE TROWEL 4MM SQUARE NOTCH

- Hardened and tempered steel blade - 115 x 280mm base
- Large 'Soft Grip' handle for extra comfort

Item No.

102952

### ADHESIVE TROWEL 6MM SQUARE NOTCH

- Hardened and tempered steel blade - 115 x 280mm base
- Large 'Soft Grip' handle for extra comfort

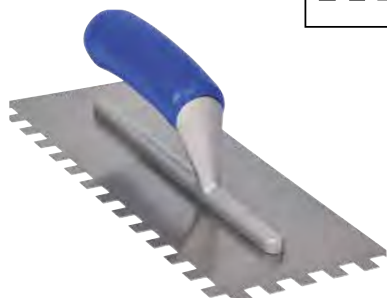

Item No.

102953

### ADHESIVE TROWEL 10MM SQUARE NOTCH

- Hardened and tempered steel blade - 115 x 280mm base
- Large 'Soft Grip' handle for extra comfort

Item No.

102954

### MARGIN TROWEL FLAT NOSED

- 'Soft Grip' handle for extra comfort
- Ideal for patch jobs and for working in difficult and awkward spaces

Item No.

102908

## ECONOMY

- Hard, cold rolled steel blade for durability
- High-impact black plastic handle

### WALL ADHESIVE TROWEL 6MM SQUARE NOTCH

- Hard, cold rolled steel blade
- High impact plastic handle

Item No.

102955

### FLOOR ADHESIVE TROWEL 20MM ROUND NOTCH

- Hard, cold rolled steel blade
- High impact plastic handle

Item No.

102956

### WALL & FLOOR ADHESIVE TROWEL 6MM SQUARE & 20MM ROUND NOTCH

- Hard, cold rolled steel blade
- High impact plastic handle

Item No.

102950

### ADHESIVE TROWEL 4MM V NOTCH & 7MM U NOTCH

- Lightweight plastic trowel
- Dual edged for use with wall and floor tile adhesives
- Comfortable ergonomic handle
- Easy to clean

Item No.

102960

### COMBINATION WALL & FLOOR TROWEL 6MM SQUARE & 20MM ROUND NOTCH

- Lightweight, plastic trowel, with comfortable, ergonomic handle
- Dual edged for use with wall and floor tile adhesives
- Ideal for underfloor heating installations as it will not damage the wires

Item No.

102963

### COMBINATION SPREADER / FILLER

- Notched edge for fast adhesive application
- Convenient dual purpose design
- Handy 120mm filler blade

Item No.
102275

### LARGE SPREADER

- Strong flexible plastic spreader with notched edge for fast adhesive application
- Contoured handle for extra comfort

Item No.
102961

### COMBINATION SPREADER / SQUEEGEE

- Notched edge for fast adhesive application
- Convenient dual purpose design
- Squeegee edge for rapid grouting

Item No.
102277

### COMBINATION SPREADER / SQUEEGEE

- 6mm main body adhesive spreader - square notch (235mm)
- 3 x interchangeable 3mm notched spreaders for use with border/ mosaic and small tiling areas - 30mm, 40mm & 60mm
- 2 x outriggers for stability and mosaic sheet application

Item No.
BMS632

### TILE LIFT

- For easy handling of non-porous tile, marble and glass during installation
- Vacuum lifts and holds tiles up to 25 kgs (55 lbs)
- Ideal for larger format tiles

Item No.
TLT001

### NON - MARKING RUBBER Mallet

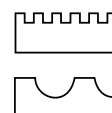

- Ideal for setting large tiles into adhesive
- Non-marking white rubber head
- Can be used in conjunction with the LASH Tile Levelling System

Item No.
101060

### COMBINATION WALL & FLOOR TROWEL/SPREADER 6MM SQUARE & 20MM ROUND NOTCH

- 2 in 1 combination trowel / spreader
- Square notches for perfect adhesive application
- Flexible easy clean rubber edge for easy grout spreading

Item No.
MPSP010

### TILE INSTALLATION KIT

- Essential tools for tile adhesive and grout application

#### KIT INCLUDES

- Large Squeegee
- Tile Adhesive Spreader
- Tile Adhesive Spreader

Item No.
102964

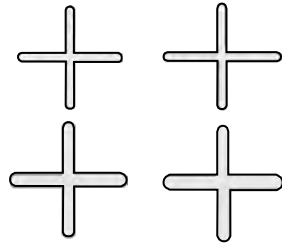

**WALL AND FLOOR TILE SPACERS**

**The easy way to achieve a more professional tiling finish. For constant & even spacing of tiles.**

- Space wall/floor tiles evenly
- Ensures an even grout line throughout

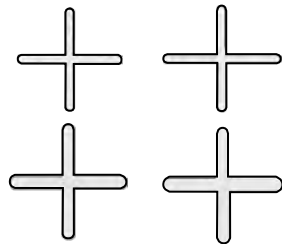

**WALL TILE SPACERS**

Item No.	Description
102151	1.5mm (x250)
102152	1.5mm (x500)
102153	1.5mm (x1000)
102155	1.5mm (x5000)
102251	2.5mm (x250)
102252	2.5mm (x500)
102253	2.5mm (x1000)
102256	2.5mm (x3000)

**FLOOR TILE SPACERS**

Item No.	Description
102040	4mm (x100)
102041	4mm (x250)
102042	4mm (x500)
102050	5mm (x100)
102051	5mm (x250)
102052	5mm (x500)
102056	5mm (x1500)
102070	7mm (x100)

**WALL TILE SPACERS**

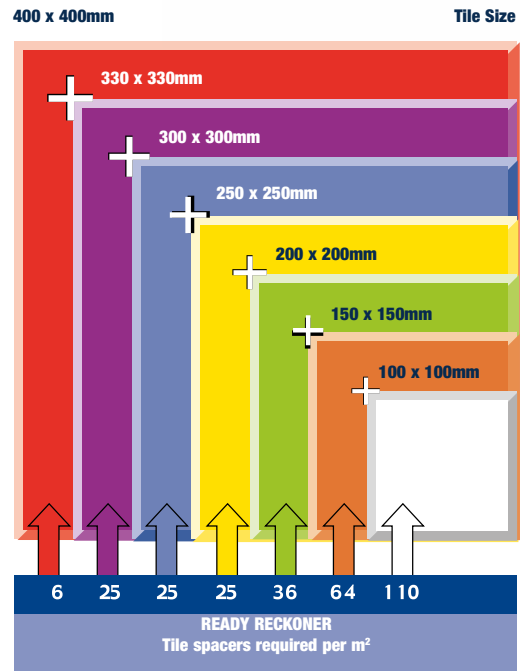

Item No.	Description
102000	2mm (x500)
102005	2mm (x1000)
102013	3mm (x400)
102010	4mm (x350)
102014	5mm (x250)
102015	7mm (x100)

Economy, Hollow leg Spacers

Vitrex wall and floor tile spacers are supplied in a resealable bag or tub for easy and convenient storage. Each pack features the Ready Reckoner, a quick and simple way to calculate the correct number of spacers required.

**TILE WEDGES**

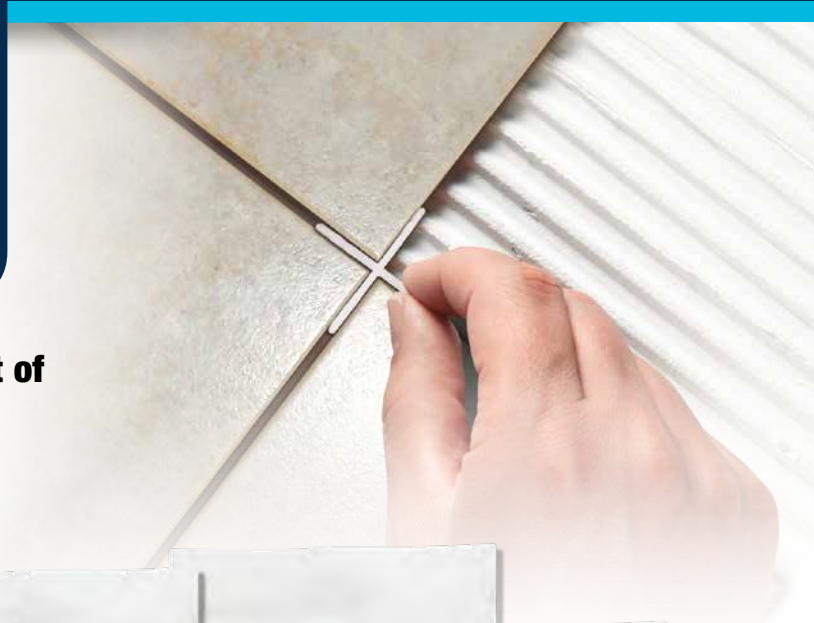

- The easy way to achieve a more professional tiling finish
- Used for wall tiling when putting bottom cuts in above any uneven surface
- Micro adjust the height up to 5mm

Item No.	Description
WD250	0-5mm Tile Wedges (x250)

# PRO TILING

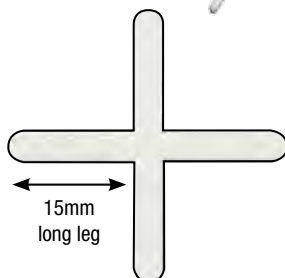

## LONG LEG TILE SPACERS

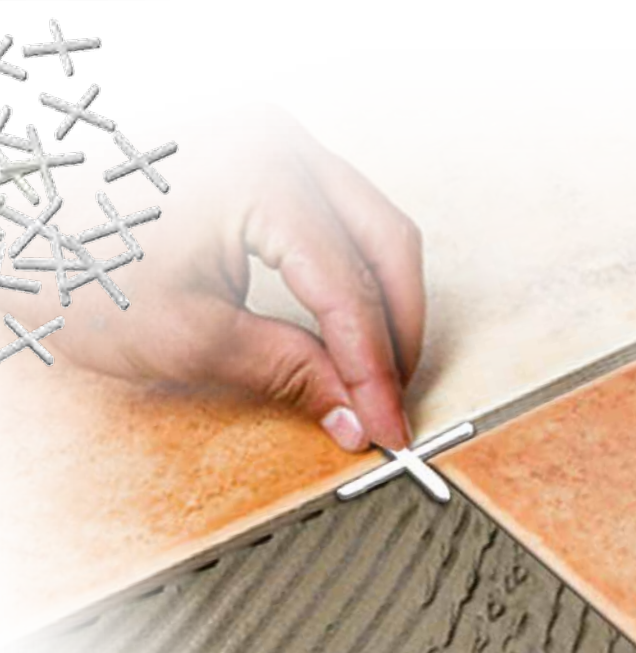

**Long leg spacers for a strong, even alignment of wall and floor tiles**

- The easy way to achieve a more professional tiling finish
- Easier to handle than standard tile spacers
- Breakable legs for T-shape spacers

Item No.	Description
LLS2250	2mm (x100)
LLS2250	2mm (x250)
LLS2500	2mm (x500)
LLS21500	2mm (x1500)
LLS22000	2mm (x2000)
LLS3250	3mm (x250)
LLS3500	3mm (x500)
LLS31500	3mm (x1500)
LLS4100	4mm (x100)
LLS4250	4mm (x250)
LLS4500	4mm (x500)
LLS41000	4mm (x1000)
LLS5100	5mm (x100)
LLS5250	5mm (x250)
LLS5500	5mm (x500)
LLS51000	5mm (x1000)

- Unlike standard tile spacers they have extra long legs (15mm) for use with larger format tiles

## TILE LEVELLING SPACERS

The patented LASH system is designed for quick installation and reduces costly call backs by ensuring that the finished floor surface is lippage-free. This time saving system helps adjust the height of the tiles and evenly holds their edges throughout the adhesive drying process.

**Level and Align** - The LASH clips work as a system by automatically aligning the tiles and ensuring that the surface of the tiles is level. **Space** - The clips allow the installer to space the tiles at exactly the same width throughout the installation to prevent any variation in a grout joint. **Hold** - The wedges ensure that the tiles are held at an even height until the adhesive sets.

Unique 2 piece spacer system that prevents uneven tiles

For tile thickness up to 12mm

Item No.	Description
LASH30	30 Clips & 30 Wedges
LASH150	150 Clips & 150 Wedges
LASHCL100	100 Clips
LASHWD100	100 Wedges

Scan the code to watch on **YouTube**

### STEP 1

Slide two LASH clips under the tile and into the adhesive approximately 50mm from each end of the tile. Place the second tile.

### STEP 2

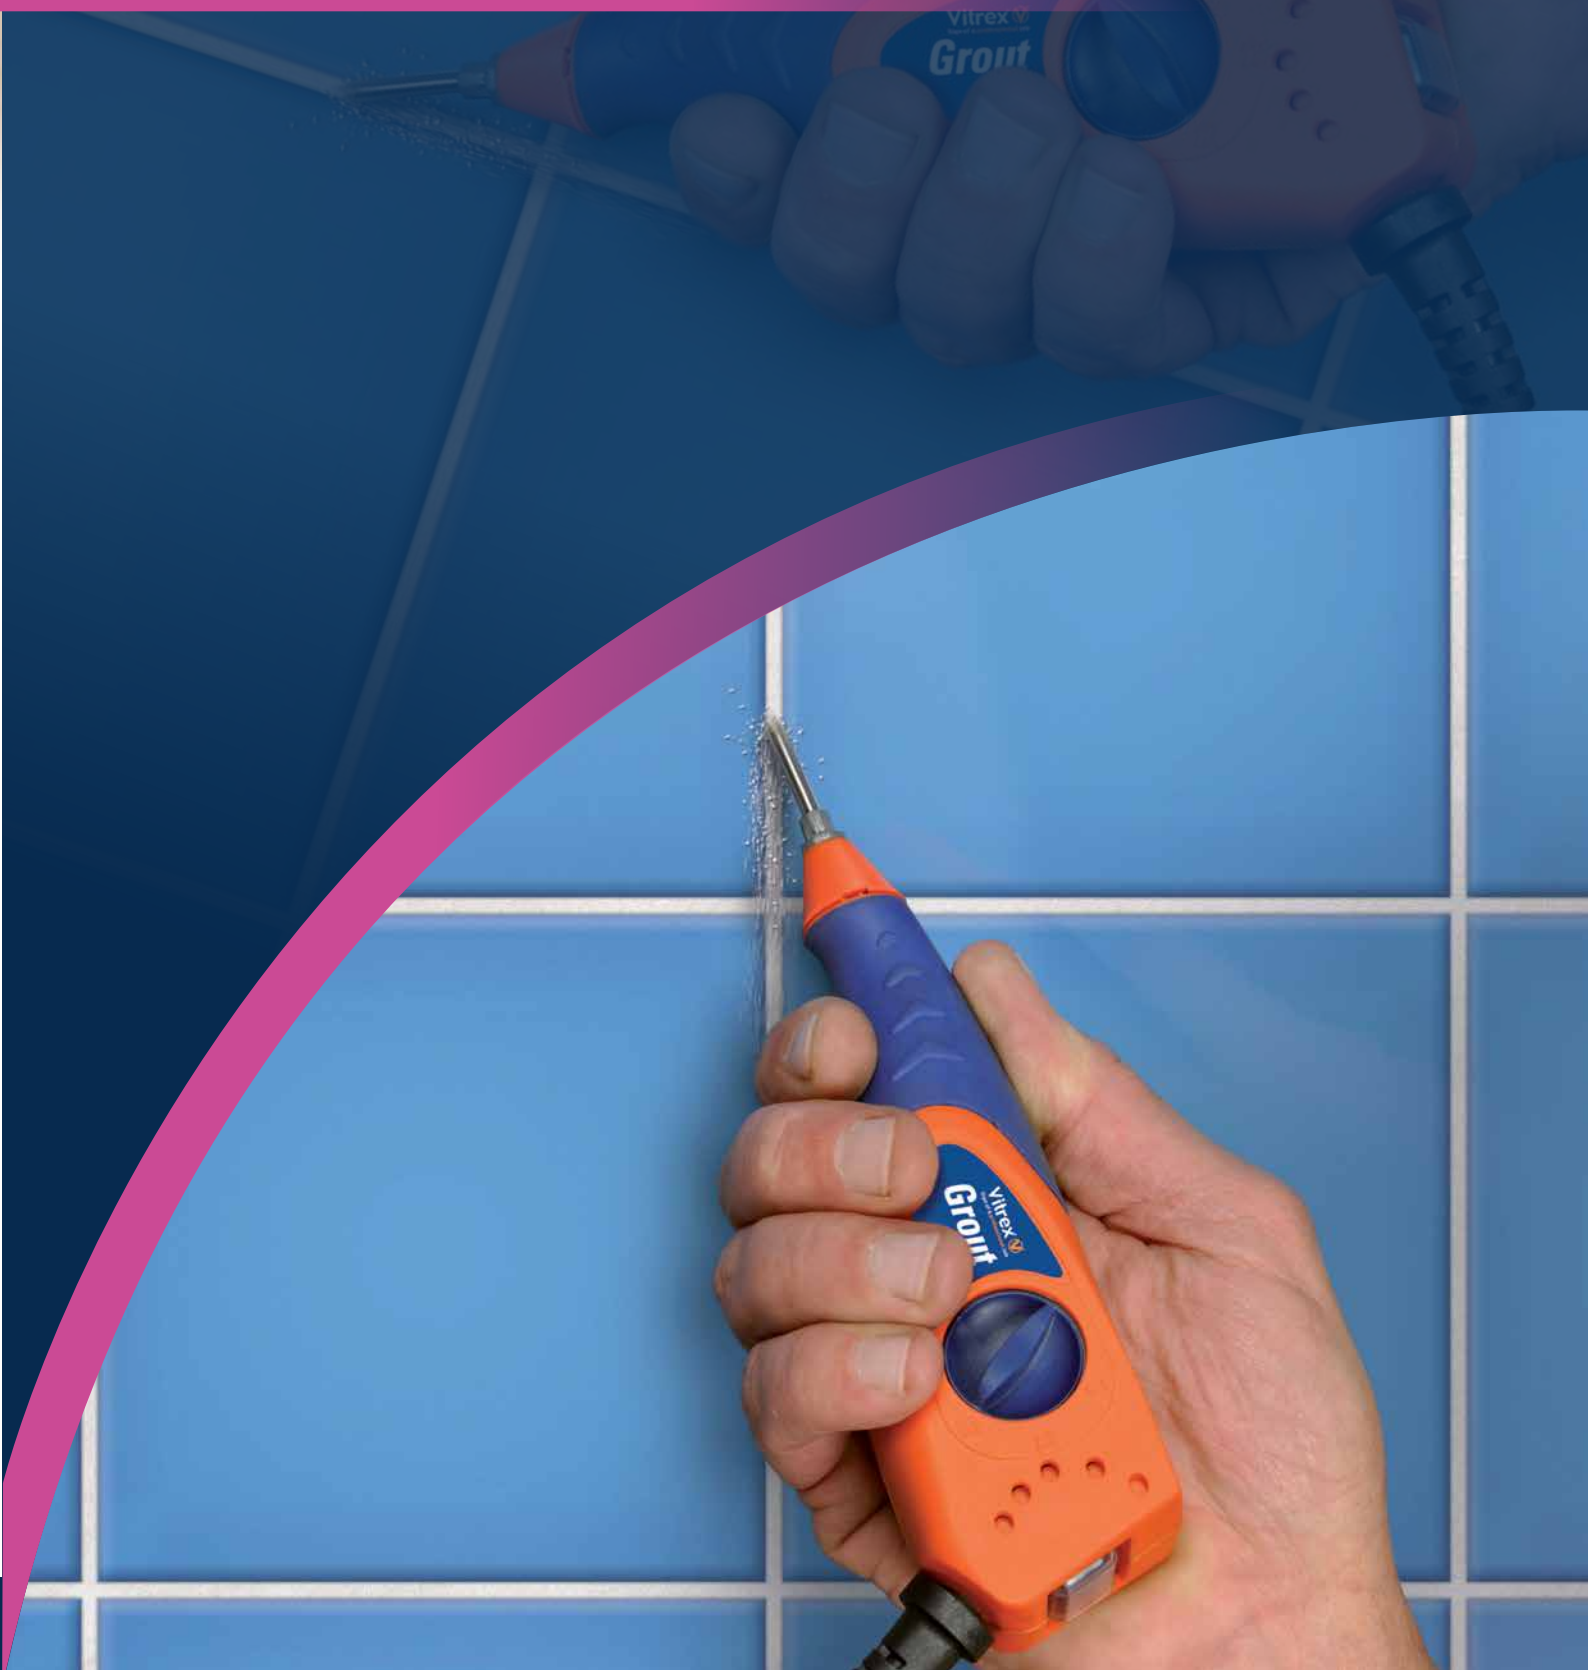

Slide the reusable LASH wedges into the clips & tighten to Level, Align, Space and Hold the tiles.

### STEP 3

Once the adhesive sets, simply kick the clips, forcing them to snap off at the specially designed break-points.

# Finishing

**LARGE SQUEEGEE**

- Strong flexible plastic blade with squeegee edge for rapid grouting
- Contoured handle for extra comfort

Item No.
102962

**GROUT SPREADING SQUEEGEE 225MM**

- For application of grout to walls & floors
- Soft long lasting rubber applicator

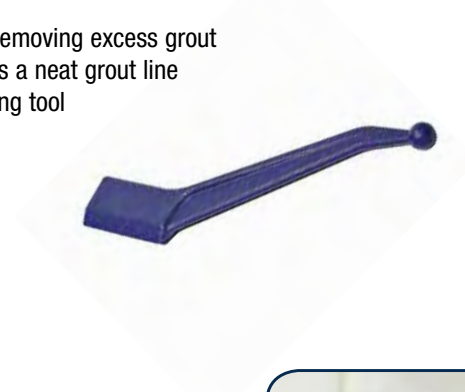

Item No.
GSS225

**GROUT FINISHER**

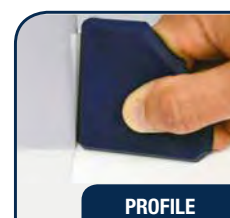

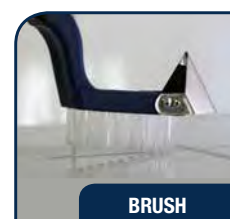

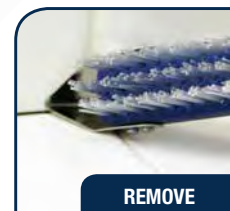

- Scraper end for removing excess grout
- Ball end produces a neat grout line
- Double ended tiling tool
- Easy to clean

Item No.
102280

**GROUT & SILICONE REMOVER & FINISHING KIT**

- A complete kit for removing old sealant, grout & caulk
- Gives a perfect finish with newly applied materials
- 8 profiles for different finishes
- Also suitable for use with fillers

Item No.
GRS001

**FLEXI - TIP SEALANT SMOOTHER**

- Unique flexible tip for superb results on any surface
- Perfect for smoothing most household sealants, fillers, grout etc.
- Ideal for kitchens, bathrooms, showers, window frames etc.
- Simple to use and easy to clean

Item No.

102283

**SILICONE SEALANT FINISHER**

- Hand spreaders for lightweight use
- Provides a professional finish
- Ideal for baths, shower trays, worktops, sinks and interior sill
- Choice of three finishing profiles

Item No.

SIF005

**SILICONE REMOVER & FINISHER**

- Choice of 5 'easy change' finishing profiles
- All-in-one kit for a professional looking finish to silicone and grout
- Multi-functional design for a professional finish to most household sealants, silicone, fillers, grout, etc.
- Quick and simple to use

Item No.

SRF005

### ECONOMY GROUT FLOAT

- High impact handle
- Grout float with a completely moulded rubber pad to prevent absorption of grouting materials

Item No.

102911

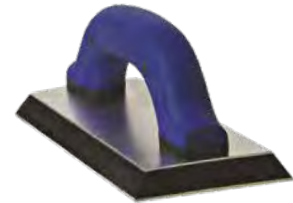

### GUM RUBBER GROUT FLOAT

- Rubber pad mounted on a rigid polyurethane base with integral handle
- For fast, even grouting of large areas

Item No.

102901

### PREMIUM GROUT FLOAT

- 'Soft Grip' handle for extra comfort
- Grout application float with high density, smooth foam
- Rubber pad for easy spreading

Item No.

102900

### SEGMENTED TILE WASH FLOAT

- Lightweight float with heavy premium quality segmented foam sponge for fast removal of grout deposits
- Ideal for washing down grouted tiles on larger projects

Item No.

102926

### TILE WASH FLOAT

- Lightweight float with heavy duty foam sponge
- Ideal for quick cleaning of large, freshly grouted areas

Item No.

102915

### MARGIN FLOAT

- 'Soft Grip' handle for extra comfort
- Latex face laminated to a lightweight foam core
- Ideal for grouting in difficult to reach and awkward spaces

Item No.

102902

## GROUT REFINISHING KIT

Complete tool kit to replace worn or discoloured grout

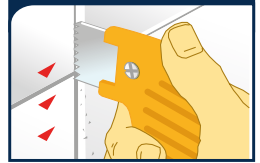

- Pack Contents:
- Grout spreader
  - Grout finisher
  - Grout remover

Item No.

GRK005

## GROUT RAKE WITH WHEEL

- Tungsten carbide grit edged blade for longer life
- Guide wheel helps to prevent damage to tiles

Item No.

GRA006

### PROFESSIONAL TILING SPONGE

- Heavy duty, extra large premium sponge for everything from tiling & grouting clean-up to plastering & drywall wipe down
- Unique hydrophilic design provides high liquid holding capacity
- Holds up to 4 times more liquid than standard sponges

Item No.

PTS001

### LARGE GROUTING SPONGE

- Highly absorbent premium quality grouting sponge
- Rounded edges to prevent accidental removal of fresh grout
- Rip resistant

Item No.

102904

### TILE WASH KIT

- The easy way to wash grouted tiles
- Large 11litre container with integral roller for wringing out
- Supplied with a lightweight float with heavy duty foam sponge for quick cleaning of large, freshly grouted areas

Item No.

102905

### PROFESSIONAL TILE WASH KIT

- Ideal for washing down tiles on larger projects
- Extra large 22 litre container with two integral rollers for wringing out
- Lightweight float with premium quality segmented foam sponge for fast removal of grout deposits
- Integral frame for great deposit removal

Item No.

102925

### DUAL PURPOSE GROUTING SPONGE

- Large '2 in 1' sponge ideal for cleaning and polishing tiles
- Rounded edges to prevent accidental removal of fresh grout

Item No.

102913

### GROUT CLEAN UP AND POLISHING KIT

- The easy way to clean and polish tiles
- Four interchangeable pads to suit most applications, including the removal of excess grout and grout film

Item No.

102912

# GROUT OUT

## ELECTRIC GROUT REMOVER

**THE EASIEST WAY  
TO REFRESH ANY  
TILED AREA**

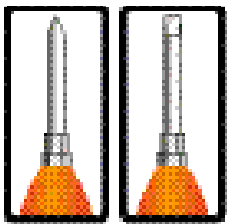

- The easiest way to refresh any tiled area
- 3 speed pneumatic action powers through old and discoloured grouts
- Interchangeable grout removing tips
- 2.5m power cable allows a greater working area
- Remove old and discoloured grout

precision grout  
removal**

# Tile Care

**Vitrex Tile Care is a range of 9 products specially formulated to Clean, Seal and Shine all the different types of tiles available and to keep them looking like new.**

## Initial Clean

Tiles require initial cleaning prior to sealing; this ensures that the tiles are in optimum condition before they are sealed.

### HEAVY DUTY TILE CLEANER

- Removes grout, limescale, adhesive residue & cement film from newly laid tiles
- Provides a deep clean prior to polishing
- Ideal for removing ingrained dirt

Item No.
THC001

Some tiles require cleaning prior to sealing to remove floor polish and protective transit coatings found on various tiles

## Everyday Clean

Maintain the natural beauty of tiles with products specifically designed for regular use.

### MARBLE & SLATE CLEANER

- Specially formulated to clean whilst providing a protective shine
- Improves the natural colour and texture of marble & slate tiles

Item No.
TSC001

1L  
Up to 40m<sup>2</sup>

### TILE CLEAN & SHINE

- Cleans & provides a protective satin shine to tiles in one application
- Enhances the texture & colour of all tiles

Item No.
TCS001

20  
washes

### MOULD REMOVER

- Removes mold and unsightly black spots
- Suitable for floor and wall tiles

500ml  
Up to 15m<sup>2</sup>

Item No.
TMR500

### GROUT CLEANER

- Easily restores grout joints to new
- Ideal for regular use

500ml  
Up to 15m<sup>2</sup>

Item No.
TGC500

## Seal

Some natural tiles are porous and need to be sealed to prevent staining. Seal prior to grouting to protect against grout stains. Seal again after installation to prevent stains from everyday spills.

### TILE SEALER

- Protects natural, unglazed tiles against stains from everyday spills such as coffee & red wine
- For use on porous tiles prior to re-waxing

Item No.
TTS001

1L  
Up to 10m<sup>2</sup>

### GROUT SEALER

- VOC compliant, solvent based formula designed for deep penetration into grout
- Protects against oil & waterbased stains whilst still allowing the surface to breathe

Item No.
TGS600

600ml  
Up to 600  
linear metres

### TILE SEAL & PROTECT

- Provides a colourless and completely natural finish on wall & floor surfaces
- Seals & impregnates mechanically polished tiles (eg: polished porcelain) and prevents any spillages seeping in to surface and causing a permanent stain

Item No.
TSS500

500ml  
Up to 25m<sup>2</sup>

## Frequently Asked Questions

### How do I know when my tiles are sealed?

All tile types differ from source to source, after applying a sealer coat leave to dry and sprinkle a little water onto the tiles if it stays in droplet form on top of the tile then the tile is sealed, if not add another coat of sealer.

### Do different tiles react in different ways to the Tile Care Products?

Yes they do, however simply by reading the instructions prior to use and testing product in a small unobtrusive area can ensure the correct results.

### How often will I need to seal my floor tiles?

For best results re-seal every 2-3 years.

## Polish

Enhance the natural beauty and durability of all tiles with polishing products which improve the brilliance of tile colour and texture and protect against everyday stains.

### FLOOR TILE POLISH

- Forms a natural satin shine protective film which prevents water, dirt & oil from penetrating into the surface, making it easier to maintain
- Enhances the natural beauty of the tiles by giving a surface sheen

# Ancillaries/Kits

**TILING STARTER KIT**

- All the basic tools required to cut, fix and grout tiles

**KIT INCLUDES**

- Tile Marker
- Tile Scorer
- Tile File
- 1.5mm Tile Spacers (x100)
- Combination Spreader / Squeegee
- Grout Finisher

Item No.

102810

**TILE RE-GROUTING KIT**

- All the basic tools required to re-grout your tiles

**KIT INCLUDES**

- Grout Rake
- Combination Spreader / Squeegee
- Grout Finisher
- Clean up Sponge

Item No.

102285

**TILE INSTALLATION KIT**

- Essential tools for tile adhesive and grout application

**KIT INCLUDES**

- Large Squeegee - Strong flexible plastic blade with squeegee edge for rapid grouting, contoured handle for extra comfort
- Tile Adhesive Spreader - 4mm V notch, strong flexible plastic spreader for fast adhesive application
- Tile Adhesive Spreader - 6mm square notch, strong flexible plastic spreader for fast adhesive application

Item No.

102964

**TILING KIT**

- All the basic tools required for installation and finishing
- Supplied in convenient storage bag

**KIT INCLUDES**

- Combination Wall & Floor Trowel - 6mm Square & 20mm Round
- Dual Purpose Grouting Sponge
- Grout & Sealant Smoother
- Grout Float

# INSTALLATION TOOLS

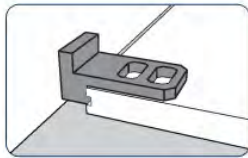

## HFIK006 Pro Flooring Installation Kit

- This kit has all the tools you need to help you install laminate, wood and LVT flooring
- Includes:

### Multi Purpose Expansion Spacers x30

- 30 multi-use spacers with multi-sided design for maintaining expansion joint spacing of 6mm (1/4") for vinyl, 12.5mm (1/2") for laminate/hardwood and 25mm (1") for thresholds
- Patent pending 3 sided design
- Ensures accuracy in expansion joint spacing

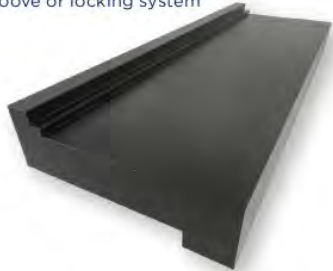

### Two Headed Mallet

- A double faced 340 gram (16oz) non marking mallet used with the tapping block or pull bar to move flooring into place
- Durable polyfibre handle
- Used to secure glued/click-lock vinyl (red end), or laminate/hardwood floor (yellow end)

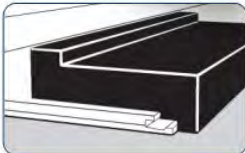

### Dual Sided Tapping Block

- Two sided universal tapping block, engineered to push edges of vinyl tile, laminate or hardwood flooring planks together without damaging the tongue and groove / locking system. One side for vinyl and the other for wood
- Uniquely designed to be used with the Vitrex Mallet
- Closes gaps between planks without damaging the tongue and groove or locking system

Vinyl

Wood

### Extreme Angle Pull Bar

- Wide angle metal pull bar used to pull planks together when against the wall
- Ideal for moving planks together
- Perfect for where space is limited or against a wall

Item No.	Description	Qty
HFIK006	Pro Flooring Installation Kit	6

# INSTALLATION TOOLS

## ITLAMSPA | Laminate & Wood Flooring Spacers

- Designed to give a consistent gap around skirting boards when installing laminate, wood and LVT flooring
- Maintains an even expansion gap when installing flooring

Item No.	Description	Qty
ITLAMSPA	Laminate & Wood Flooring Spacers	6

## WLFITKIT | Wood & Laminate Fitting Kit

- This kit has all the tools you need to help you install laminate and wood flooring. Includes:
- 30 standard flooring spacers for an even expansion gap
- Tapping block to help achieve tight joints
- Wide angle metal pull bar used to pull planks together when against the wall

Item No.	Description	Qty
WLFITKIT	Wood & Laminate Fitting Kit	10

## HBDPULLBAR | Heavy Duty Pull Bar

- Wide angled metal bar used to pull planks together when against the wall
- Steel construction
- Soft felt pad protects floors from scratching during installation

Item No.	Description	Qty
HBDPULLBAR	Heavy Duty Pull Bar	8

## ITBTENSTRP | Tension Strap

- Ideal installation aid for laying tongue and groove or glued flooring
- Ratchet system allows easy tightening
- Metal plates with curved edges to give a good fit on flooring

Item No.	Description	Qty
ITBTENSTRP	Tension Strap	6

# INSTALLATION TOOLS

## FWS010 | Floor & Wall Scraper

- Handy, portable heavy duty scraper which is used to easily remove wall and floor coverings such as adhesive
- Quick blade change, with screwdriver tool in the handle
- 100mm blade with an extra 5 blades included
- Handy blade storage in the handle

Item No.	Description	Qty
FWS010	Floor & Wall Scraper	10
FWS010RB	Scraper Blades x10	6

## PB006 | Pro Mini Pry Bar

- Enables easier removable of moulding, gripper and nails
- Designed to provide maximum leverage in tight spots
- 32° angle for quick gripper removal
- Features a deep bevel nail slot

Item No.	Description	Qty
PB006	Pro Mini Pry Bar	3

## VITCARPKN | Carpet Knife

- Designed with an offset head allowing more room for your knuckle, achieving a precise cutting angle
- Large contoured handle
- Unscrew end cap and swing open for easy blade change
- Handle stores additional blades

Item No.	Description	Qty
VITCARPKN	Carpet Knife	12

## GSC001 | Gripper & Scotia Cutter

- The perfect way to cut scotias and gripper at angles between 45° - 135°, producing cuts to give a clean joint finish
- Clear angle markings to cut at required angles
- Comfort grip for prolonged use

Item No.	Description	Qty
GSC001	Gripper & Scotia Cutter	6

## INSTALLATION TOOLS

### ITEXPSTRIP | Expansion Strips

- Used to provide an even space around the outside of your room when installing wood and laminate flooring, which requires spacing for expansion
- Contains 18 pieces giving a coverage of 36ft
- Made from cork, making it easy to cut to the required length

Item No.	Description	Qty
ITEXPSTRIP	Expansion Strips	12

### VITCARPTUC | Carpet Tucker

- Lightweight nylon carpet tucking tool
- Non marking, double edged - square and curved
- Square edge is for tucking carpet into corners
- Curved edge is for tucking carpet into stairs

Item No.	Description	Qty
VITCARPTUC	Carpet Tucker	4

### SPR500 | Spiked Roller 500mm

- Includes splash guard
- Ideal for subfloor preparation
- Helps remove bubbles caused by entrapped air in floor levelling compounds

Item No.	Description	Qty
SPR500	Spiked Roller 500mm	1

### 338160 | Flooring Knee Pads

- Ideal to use when installing tiles, wood, vinyl and other hard floors
- Slip resistant pads for added safety
- Comfort form fitting foam padding
- Easy on and off adjustable, no hassle plastic buckle

Item No.	Description	Qty
338160	Flooring Knee Pads	6

## FINISHING

### Colour Sealant 310ml

- Perfect for applying a finishing touch or filling smaller gaps on flooring installations
- Permanently flexible sealant and gap filler
- For sealing around wood, laminate and LVT flooring
- Adheres to all surfaces

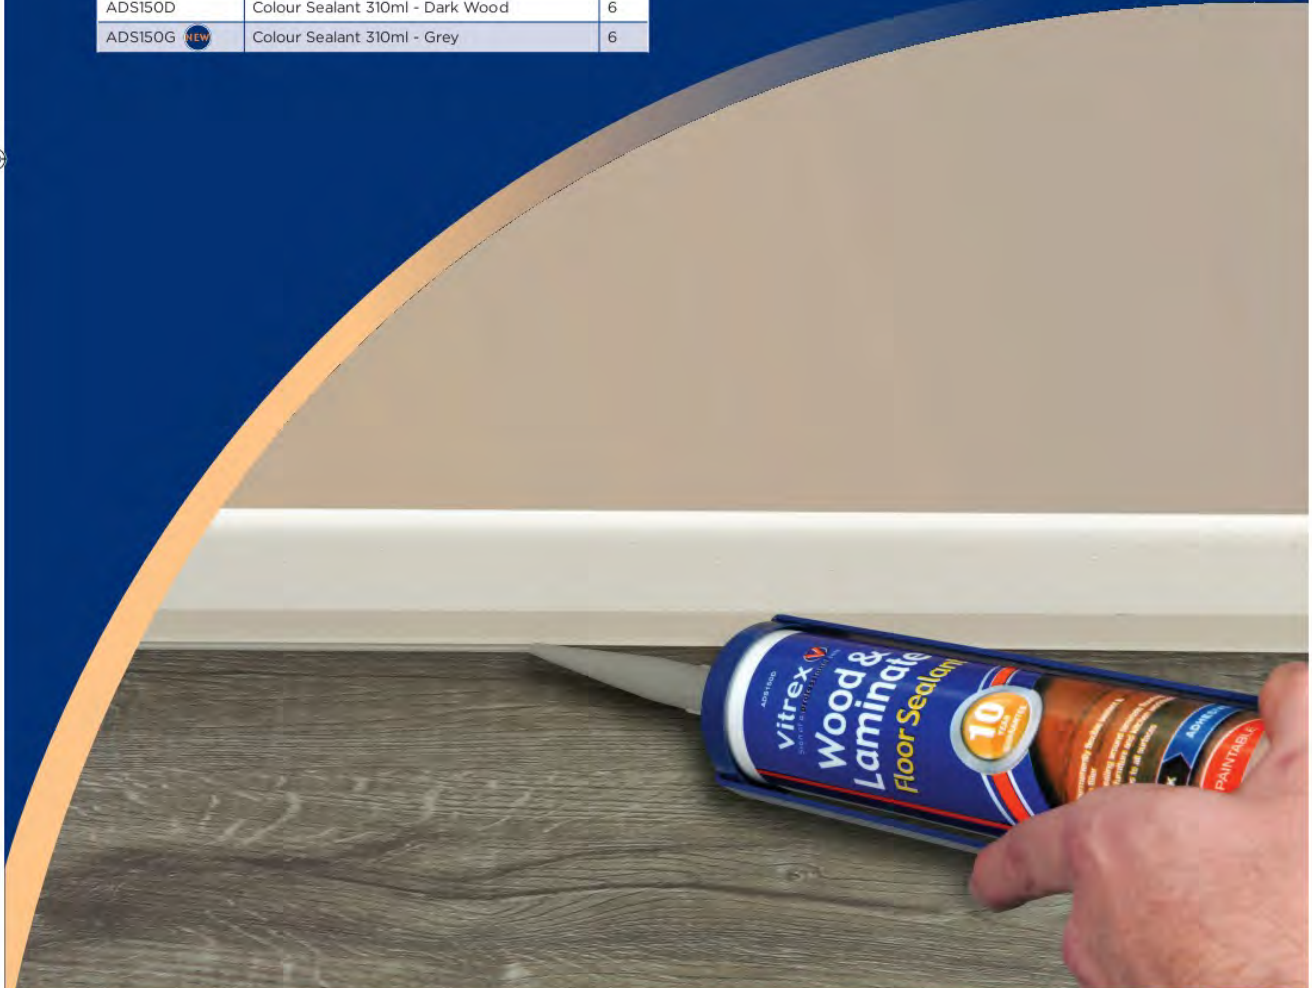

Item No.	Description	Qty
ADS150L	Colour Sealant 310ml - Light	6
ADS150M	Colour Sealant 310ml - Medium Wood	6
ADS150D	Colour Sealant 310ml - Dark Wood	6
ADS150G <small>NEW</small>	Colour Sealant 310ml - Grey	6

### CGS310 | Cartridge Gun

- An essential tool to use with silicone or adhesive cartridges
- Lightweight and robust skeleton gun

Item No.	Description	Qty
CGS310	Cartridge Gun	12

## FINISHING

### Plastic Pipe Surrounds

- The finishing touch for your radiator pipes
- For covering exposed pipes up to 15mm

Item No.	Description	Qty
PRHBSILV	Silver Plastic Pipe Surrounds	100
PRHBROSWH	White Plastic Pipe Surrounds	100

### Plastic Pipe Covers

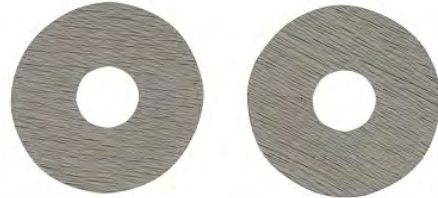

- The finishing touch to your radiator pipes
- For covering exposed pipes up to 15mm

### SSULTAPE | Underlay Joint Tape

- Single sided adhesive tape for wood, laminate and carpet underlays
- 50mm width x 10m length

Item No.	Description	Qty
SSULTAPE	Underlay Joint Tape	10

## ADHESIVES

### HBVT48M | Vinyl Floor Joint Tape

- Double sided adhesive tape for use on vinyl flooring
- 50mm width x 15m length

Item No.	Description	Qty
HBVT48M	Vinyl Floor Joint Tape	10

### LAMULTAPE | Foil Joint Tape for Laminate Underlay

- Single sided adhesive tape for laminate underlay
- 50mm width x 10m length
- Provides a vapour barrier and strengthens underlay joints

Item No.	Description	Qty
LAMULTAPE	Foil Joint Tape for Laminate Underlay	10

### ADCARTAP | Carpet Tape

- Double sided adhesive tape for joining carpets
- 50mm width x 10m length

Item No.	Description	Qty
ADCARTAP	Carpet Tape	10

### HADMULFIX250 | Skirting & Trim Adhesive

- High strength, multi use adhesive used for gluing flooring trims to skirting boards or walls
- Use to fix skirting boards, dado rails, door surrounds & wall panels Ideal for gap filling
- Over paintable
- Solvent free

Item No.	Description	Qty
HADMULFIX250	Skirting & Trim Adhesive	6

### ADSPRAY | Heavy Duty Spray Adhesive 500ml

- High tack adhesive which adheres to most common substrates
- Use for laying PU & foam backed carpets, carpet tiles and cork
- Easier to apply than adhesive applied with a trowel
- Repositionable with a fast rate of tack
- CFC free, foaming formula gives low soak into substrates

Item No.	Description	Qty
ADSPRAY	Heavy Duty Spray Adhesive 500ml	12

### ADLAM500 | Wood & Laminate Adhesive 500ml

- High strength, interior and exterior use white adhesive
- Easy to clean up and dries clear in just ten minutes
- Provides a high strength, impact-resistant bond that is usually stronger than the wood itself
- Conforms to the international standard EN 204 (D3) and BS 14256 for creep resistance
- Environmentally-friendly

Item No.	Description	Qty
ADLAM500	Wood & Laminate Adhesive 500ml	20

# MAINTENANCE
